

# U.S. Customs and Border Protection

## DEPARTMENT OF THE TREASURY

19 CFR PART 12

CBP DEC. 18-02

RIN 1515-AE3

### **EXTENSION OF IMPORT RESTRICTIONS IMPOSED ON CERTAIN ARCHAEOLOGICAL MATERIAL FROM BELIZE**

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security; Department of the Treasury.

**ACTION:** Final rule.

**SUMMARY:** This final rule amends U.S. Customs and Border Protection (CBP) regulations to reflect the extension of import restrictions on certain archaeological material from Belize. These restrictions, which were imposed by CBP Dec. 13-05, are due to expire on February 27, 2018, unless extended. The Acting Assistant Secretary for Educational and Cultural Affairs, United States Department of State (Department of State), has determined that conditions continue to warrant the imposition of import restrictions. Accordingly, the restrictions will remain in effect for an additional five years, and the CBP regulations are being amended to indicate this additional extension. These restrictions are being extended pursuant to determinations of the Department of State under the terms of the Convention on Cultural Property Implementation Act, which implements the 1970 United Nations Educational, Scientific and Cultural Organization (UNESCO) Convention on the Means of Prohibiting and Preventing the Illicit Import, Export and Transfer of Ownership of Cultural Property. CBP Dec. 13-05 contains the Designated List of archaeological material that describes the articles to which the restrictions apply.

**DATES:** Effective February 27, 2018.

**FOR FURTHER INFORMATION CONTACT:** For legal aspects, Lisa L. Burley, Chief, Cargo Security, Carriers and Restricted Merchandise Branch, Regulations and Rulings, Office of Trade, (202) 325–0215, [lisa.burley@cbp.dhs.gov](mailto:lisa.burley@cbp.dhs.gov). For operational aspects, William R. Scopa, Branch Chief, Partner Government Agency Branch, Trade Policy and Programs, Office of Trade, (202) 863–6554, [william.r.scopa@cbp.dhs.gov](mailto:william.r.scopa@cbp.dhs.gov).

## **SUPPLEMENTARY INFORMATION:**

### **Background**

Pursuant to the provisions of the Convention on Cultural Property Implementation Act (hereafter, the Cultural Property Implementation Act or the Act) (Pub. L. 97–446, 19 U.S.C. 2601 *et seq.*), which implements the 1970 United Nations Educational, Scientific and Cultural Organization (UNESCO) Convention on the Means of Prohibiting and Preventing the Illicit Import, Export and Transfer of Ownership of Cultural Property (hereinafter, the Convention), in U.S. law, the United States may enter into an international agreement with another State Party to the Convention to impose import restrictions on eligible archaeological and ethnological materials under procedures and requirements prescribed by the Act. Under the Act and applicable CBP regulations (19 CFR 12.104g), the restrictions are effective for no more than five years beginning on the date on which the agreement enters into force with respect to the United States (19 U.S.C. 2602(b)). This period may be extended for additional periods, not to exceed five years, if it is determined that the factors justifying the initial agreement still pertain and no cause for suspension of the agreement exists (19 U.S.C. 2602(e); 19 CFR 12.104g(a)).

On February 27, 2013, the United States entered into a bilateral agreement with the Government of Belize concerning the imposition of import restrictions on certain categories of archaeological material originating in Belize, pursuant to the Act. (The agreement can be found online at <https://eca.state.gov/files/bureau/bzmou2013.pdf>.) On March 5, 2013, CBP published CBP Dec. 13–05 in the **Federal Register** (78 FR 14183), which amended 19 CFR 12.104g(a) to reflect the imposition of restrictions on this material and included a list designating the types of archaeological material covered by the restrictions. These restrictions were to be effective through February 27, 2018.

On January 12, 2018, after reviewing the findings and recommendations of the Cultural Property Advisory Committee, the Acting Assistant Secretary for Educational and Cultural Affairs, Department of State, concluding that the cultural heritage of Belize contin-

ues to be in jeopardy from pillage of certain archaeological material, made the necessary statutory determinations, and decided to extend the agreement with Belize for an additional five-year period to February 27, 2023. Diplomatic notes have been exchanged that reflect the extension of the agreement. Accordingly, CBP is amending 19 CFR 12.104g(a) in order to reflect the extension of the import restrictions pursuant to the agreement.

The Designated List of Archaeological Material originating in Belize covered by these import restrictions is set forth in CBP Dec. 13-05, which can be found online at: <https://eca.state.gov/files/bureau/bz2013dlfrn.pdf>.

The restrictions on the importation of this archaeological material originating in Belize are to continue in effect for an additional five years. Importation of such material continues to be restricted unless the conditions set forth in 19 U.S.C. 2606 and 19 CFR 12.104c are met.

### **Inapplicability of Notice and Delayed Effective Date**

This amendment involves a foreign affairs function of the United States and is, therefore, being made without notice or public procedure (5 U.S.C. 553(a)(1)). In addition, CBP has determined that such notice or public procedure would be impracticable and contrary to the public interest because the action being taken is essential to avoid interruption of the application of the existing import restrictions (5 U.S.C. 553(b)(B)). For the same reason, a delayed effective date is not required under 5 U.S.C. 553(d)(3).

### **Regulatory Flexibility Act**

Because no notice of proposed rulemaking is required, the provisions of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) do not apply.

### **Executive Orders 12866 and 13771**

Because this rule involves a foreign affairs function of the United States, it is not subject to either Executive Order 12866 or Executive Order 13771.

### **Signing Authority**

This regulation is being issued in accordance with 19 CFR 0.1(a)(1).

### **List of Subjects in 19 CFR Part 12**

Cultural property, Customs duties and inspection, Imports, Prohibited merchandise.

## Amendment to CBP Regulations

For the reasons set forth above, part 12 of Title 19 of the Code of Federal Regulations (19 CFR part 12), is amended as set forth below.

### PART 12—SPECIAL CLASSES OF MERCHANDISE

■ 1. The general authority citation for part 12 and the specific authority citation for § 12.104g continue to read as follows:

**Authority:** 5 U.S.C. 301; 19 U.S.C. 66, 1202 (General Note 3(i), Harmonized Tariff Schedule of the United States (HTSUS)), 1624;

\* \* \* \* \*

Sections 12.104 through 12.104i also issued under 19 U.S.C. 2612;

\* \* \* \* \*

#### § 12.104g [Amended]

■ 2. In § 12.104g, the table in paragraph (a) is amended in the entry for Belize by adding the words “extended by “CBP Dec. 18–02” after the words “CBP Dec. 13–05” in the column headed “Decision No.”.

Dated: February 21, 2018.

KEVIN K. McALEENAN,  
*Acting Commissioner,*  
*U.S. Customs and Border Protection.*

TIMOTHY E. SKUD,  
*Deputy Assistant*  
*Secretary of the Treasury.*

### ACCREDITATION AND APPROVAL OF INSPECTORATE AMERICA CORPORATION (LUTCHER, LA), AS A COMMERCIAL GAUGER AND LABORATORY

**AGENCY:** U.S. Customs and Border Protection, Department of Homeland Security.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given, pursuant to CBP regulations, that Inspectorate America Corporation (Lutcher, LA), has been approved to gauge petroleum and certain petroleum products and accredited to test petroleum and certain petroleum products for customs purposes for the next three years as of April 4, 2017.

**DATES:** Inspectorate America Corporation (Lutcher, LA) was accredited and approved, as a commercial gauger and laboratory as of April 4, 2017. The next triennial inspection date will be scheduled for April 2020.

**FOR FURTHER INFORMATION CONTACT:** Dr. Justin Shey, Laboratories and Scientific Services Directorate, U.S. Customs and Border Protection, 1300 Pennsylvania Avenue NW, Suite 1500N, Washington, DC 20229, tel. 202–344–1060.

**SUPPLEMENTARY INFORMATION:** Notice is hereby given pursuant to 19 CFR 151.12 and 19 CFR 151.13, that Inspectorate America Corporation, 2184 Jefferson Highway, Lutcher, LA 70071 has been approved to gauge petroleum and certain petroleum products and accredited to test petroleum and certain petroleum products for customs purposes, in accordance with the provisions of 19 CFR 151.12 and 19 CFR 151.13. Inspectorate America Corporation is approved for the following gauging procedures for petroleum and certain petroleum products from the American Petroleum Institute (API):

API Chapters	Title
3 .....	Tank Gauging.
5 .....	Metering.
7 .....	Temperature Determination.
8 .....	Sampling.
12 .....	Calculations.
14 .....	Natural Gas Fluids Measurement.
17 .....	Marine Measurement.

Inspectorate America Corporation is accredited for the following laboratory analysis procedures and methods for petroleum and certain petroleum products set forth by the U.S. Customs and Border Protection Laboratory Methods (CBPL) and American Society for Testing and Materials (ASTM):

CBPL No.	ASTM	Title
27-01.....	D 287	Standard Test Method for API Gravity of Crude Petroleum and Petroleum Products (Hydrometer Method).
27-03.....	D 4006	Standard Test Method for Water in Crude Oil by Distillation.
27-05.....	D 4928	Standard Test Method for Water in Crude Oils by Coulometric Karl Fischer Titration.

CBPL No.	ASTM	Title
27-06.....	D 473	Standard Test Method for Sediment in Crude Oils and Fuel Oils by the Extraction Method.
27-11.....	D 445	Standard Test Method for Kinematic Viscosity of Transparent and Opaque Liquids (and Calculation of Dynamic Viscosity).
27-13.....	D 4294	Standard Test Method for Sulfur in Petroleum and Petroleum Products by Energy Dispersive X-ray Fluorescence Spectrometry.
27-46.....	D 5002	Standard Test Method for Density and Relative Density of Crude Oils by Digital Density Analyzer.
27-50.....	D 93	Standard Test Methods for Flash Point by Pensky-Martens Closed Cup Tester.

Anyone wishing to employ this entity to conduct laboratory analyses and gauger services should request and receive written assurances from the entity that it is accredited or approved by the U.S. Customs and Border Protection to conduct the specific test or gauger service requested. Alternatively, inquiries regarding the specific test or gauger service this entity is accredited or approved to perform may be directed to the U.S. Customs and Border Protection by calling (202) 344-1060. The inquiry may also be sent to [CBPGaugersLabs@cbp.dhs.gov](mailto:CBPGaugersLabs@cbp.dhs.gov). Please reference the website listed below for a complete listing of CBP approved gaugers and accredited laboratories. <http://www.cbp.gov/about/labs-scientific/commercial-gaugers-and-laboratories>
